

## Pathbearers – Week 1 (Thursday)

### Walking Together

Story: When we follow God's path, we don't walk alone. Jesus teaches us to walk with others — to share His love, help those in need, and encourage one another along the way.

Activity: As a group, create a 'Path to God' using paper footprints! On each footprint, write a word or short phrase that shows how we can follow God together — for example: Kindness, Forgiveness, Courage, or Trust. Arrange the footprints to form a trail around your classroom or home. Each footprint shows a way we walk with God.

Focus: Walking with God means helping and encouraging one another as we follow Jesus together.

#### Example Footprint:

*Trace or copy this footprint onto A4 paper, cut it out, and write your virtue on it.*
