

Jesus Hears My Prayers

To help children understand that Jesus listens when they pray and that they can talk to Him anytime, just like St. Germaine did in the fields.

St. Germaine Cousin talked to Jesus every day while she cared for her sheep.

She told Him about her worries, her joys, and everyone she loved.

Jesus listens to our prayers too — He is always close to us when we speak to Him with love.

Write a short prayer to Jesus in the space below.

You can tell Him thank you, ask for help, or pray for someone you love.

Jesus hears me when I _____.

*Dear Jesus, thank You for always listening to me.
Help me to pray to You with love and trust, like St.
Germaine Cousin did.
Amen.*
