

Thank You for My Family

To help children thank God for their families and all the people who love and care for them, like St. Joseph cared for Mary and Jesus.

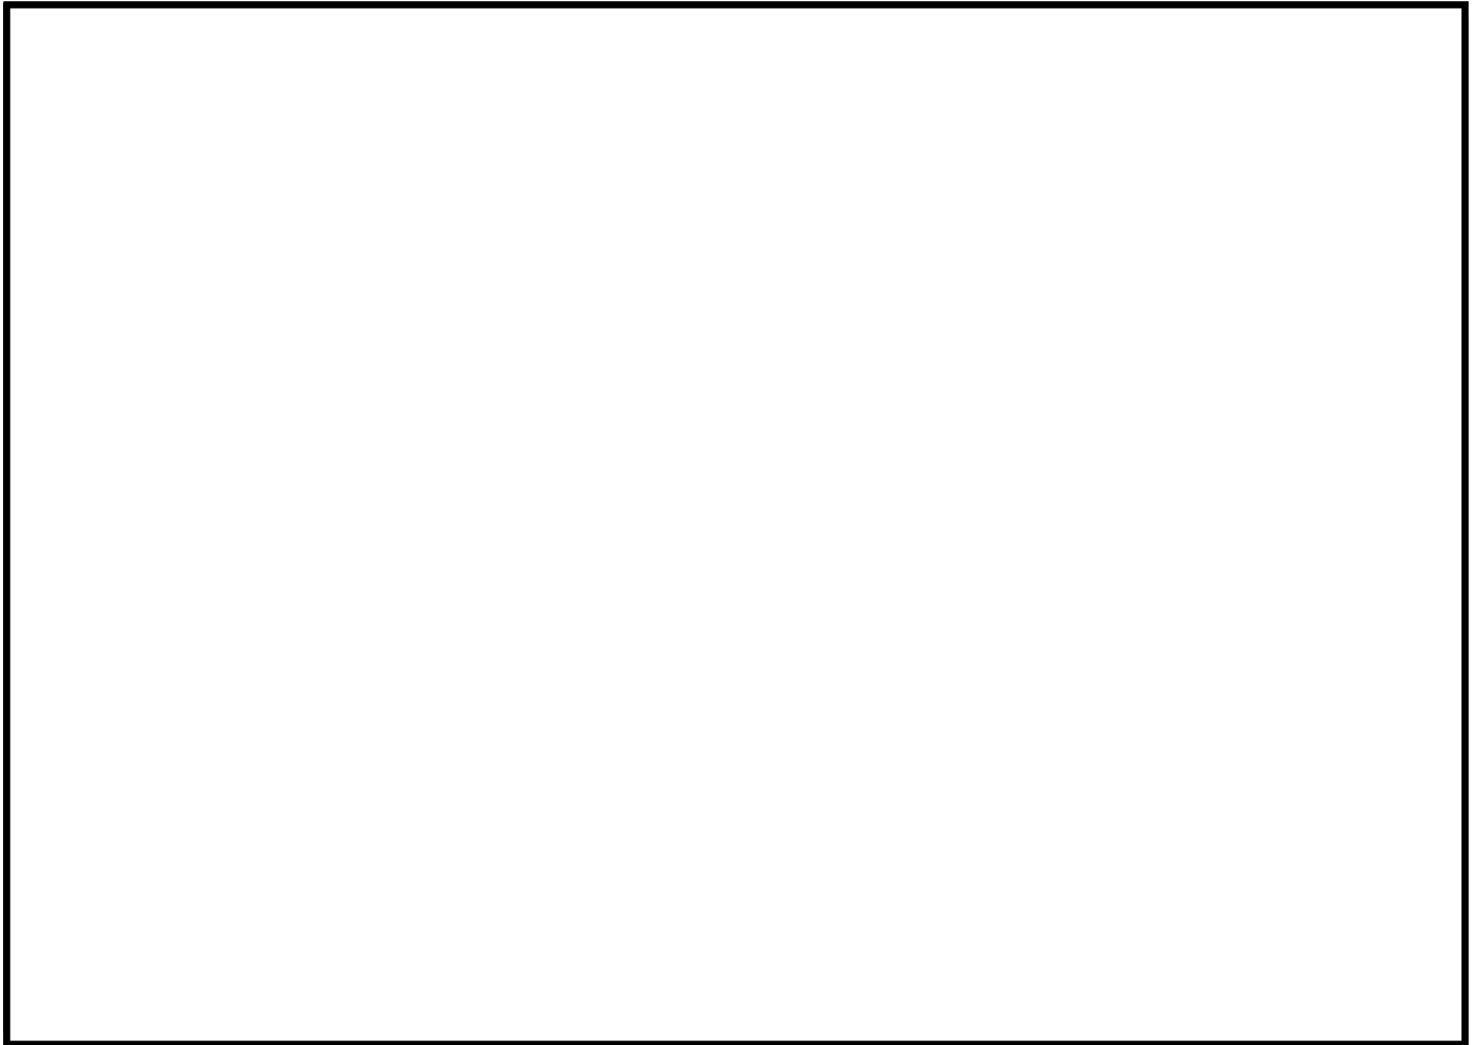

St. Joseph loved Mary and Jesus very much.

He worked hard to keep them safe and happy.

We can thank God for our families and for everyone who looks after us with love.

Draw your family or the people who care for you.

Under your picture, write one way you can show them love.

I can show my family love when I _____.

*Dear Jesus, thank You for my family and for everyone who loves me.
Help me to be kind and caring, like St. Joseph.
Amen.*
