

Listening and Obeying

To help children understand that when Jesus speaks to us in our hearts, we should listen and obey with love — just like St. Joseph did when God spoke to him in his dreams.

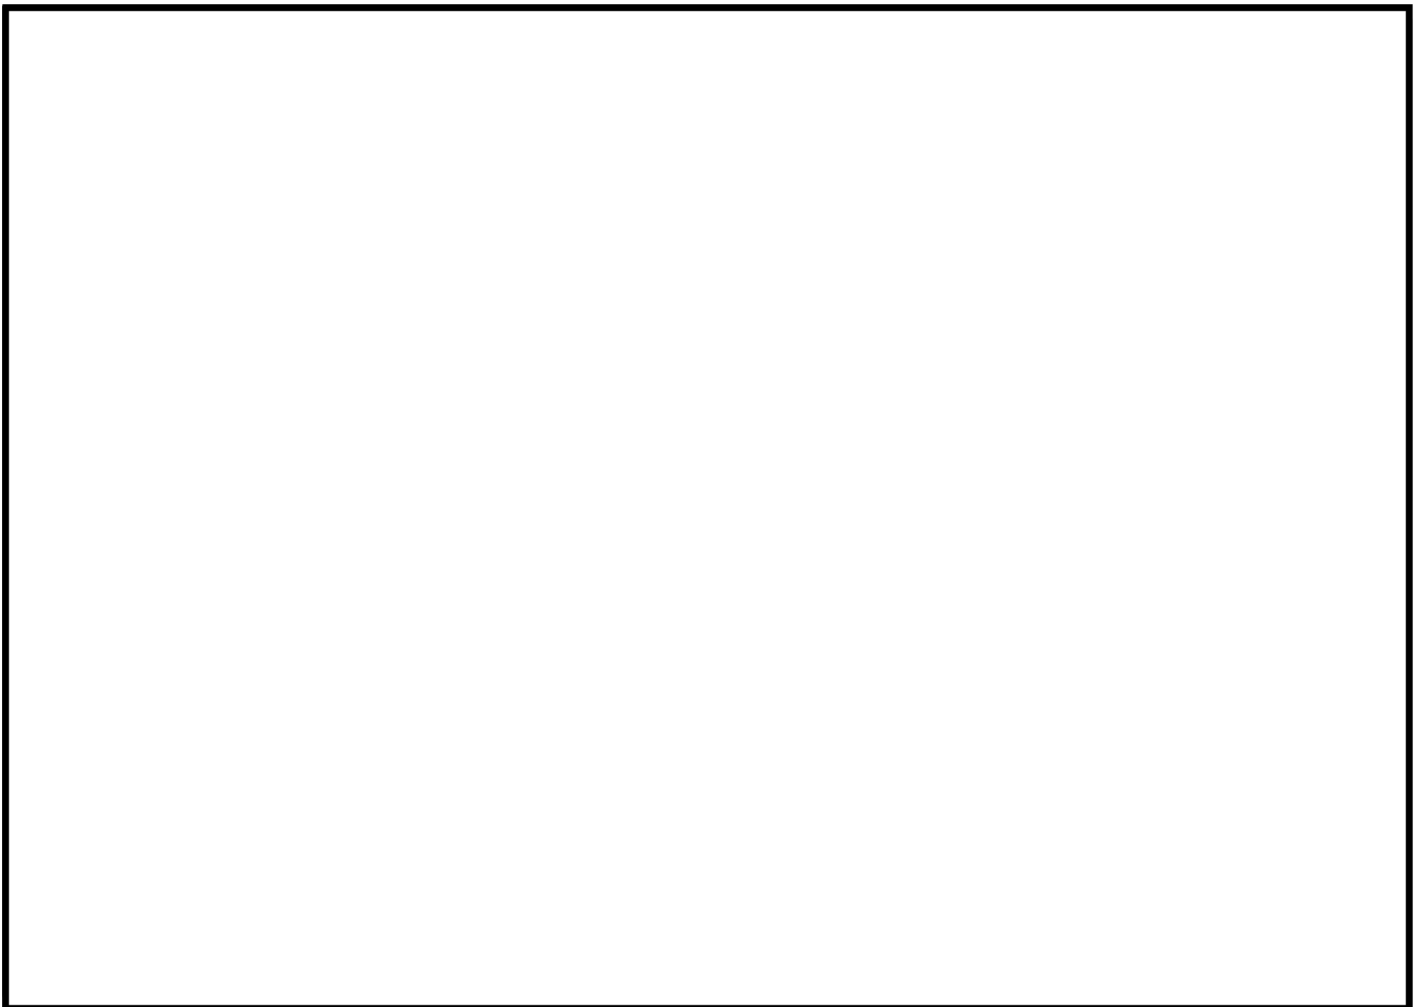

St. Joseph was a good and gentle man.

God spoke to him in his dreams and told him to care for Mary and baby Jesus.

St. Joseph listened carefully and obeyed right away.

When we listen and obey, we show Jesus that we love Him too.

Draw or write one way you can listen and obey — at home, at school, or at church..

I can listen and obey when I _____.

*Dear Jesus, help me to listen to You and to do what You ask,
like St. Joseph did with love and care.*

Amen.
