

Caring for Others

To help children understand that when we care for others, we are showing love to Jesus — just like St. Joseph cared for Mary and Jesus.

St. Joseph took care of Mary and Jesus with love and courage.

He kept them safe and helped them every day.

Jesus wants us to care for others too — especially for those who need our help.

Write ways you can care for others — at home, at school, or with your friends.

At Home: _____

At School: _____

With My Friends: _____

I can care for others when I _____.

*Dear Jesus, help me to care for others with love and kindness,
just like St. Joseph cared for Mary and You.*

Amen.
