

The Path Back to Jesus

To help children understand that Jesus always shows us the way back when we say sorry and choose to follow Him again.

When we make wrong choices, it can feel like we walked away from Jesus. But His love is like a path that always leads us home when we listen and follow it with our hearts.

Trace and color the path back to Jesus

When I say sorry, Jesus helps me come back to Him

*Dear Jesus, thank You for always showing me the way back to Your heart.
Amen*
