

Serving with Joy

To help children understand that Jesus is pleased when we do our daily tasks with love and joy, even small things — just like St. Zita.

St. Zita worked hard every day in a big house, cleaning and cooking for others.
She listened to Jesus in her heart and offered every job to Him with a smile.
When we do our work with joy, we are serving Jesus too!

Colour this picture of St. Zita doing her work with joy.
As you colour, think about how you can serve Jesus in small ways today.

I can serve Jesus with joy when I _____.

*Dear Jesus, thank You for giving me work to do each day.
Help me to serve You with joy, like St. Zita did.
Amen.*
